<BigHaircutPrime> essentially the land is divided into three to represent three social classes
<BigHaircutPrime> the outer ring being the largest to represent the poor
<BigHaircutPrime> middle = middle class
<BigHaircutPrime> and in the center are the elite
<darrenwershler> have you read any of the material about 19th century utopian communities?
<darrenwershler> Fourier etc/?
<BigHaircutPrime> we are indeed looking into that
